New National Policy on Steel

1101. SHRI P. PRABHAKAR REDDY: Will the Minister of STEEL be pleased to state:

(a) whether it is a fact that Government have decided to launch a New National Policy on Steel;

(b) if so, the main features of the policy and by when the same is likely to be announced;

(c) whether the said policy would take steps to penetrate untapped market in the country so as to augment the internal demand for steel and steel products; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF STEEL (SHRI BRAJ KISHORE TRIPATHY): (a) to (d) Yes, Sir. It has been decided to frame a National Steel Policy to draw a road map for the steel industry in the next ten years, in the wake of globalization and second generation reforms. At this juncture, it is difficult to indicate definite time by which the policy will come into force as the policy is to be finalized in consultation with the major producers, their associations, experts in the field of metallurgy Ministry of Commerce and Finance etc. The National Steel Policy would also address issues relating to demand/supply of steel.
